BUILT TO BRING PEOPLE

TO GETHER

“NEIGHBOURS, YOU CAN'T LIVE WITH THEM,
CAN'T LIVE WITHOUT THEM!”

Being surrounded by neighbours that turn into friends that turn into family over the years is an ideal dream. Watching children playing together, out in the open, the echoing sound of basketball hitting the ground, the nostalgic rhythm of bicycle bells ringing in the distance, giggles mixed with friendly banter. A group of “fitness enthusiasts” running down the jogging path contrasted by calm retirees sharing old stories over cups of chai... It almost feels like you've been teleported back to the old days, doesn't it?

The classic indian way of living with community, feels lost in big cities.
